

Our Rocky Mountain Values

*Imagine you are standing at the edge of a pristine lake,
or sitting on a dock, or maybe nestled in a canoe.*

The sun has set. It is dark and quiet.

*The moon is full and its reflection is shimmering a brilliant,
silver light across the surface of the lake.*

Everything else fades away as you are captured in the moment.

The beauty and grandeur catches your breath.

The moment is surreal and unforgettable.

Welcome to Silverwater Grill & Lounge

and quality to provide a unique and memorable experience.*
